

Dear Friends of South High Soccer,

As part of the vibrant, diverse, and all-inclusive community at Minneapolis South High School, South Soccer is proud to focus on equity, where every student is eligible to play regardless of ability to pay. South Soccer receives funding for 60 percent of its soccer program from the school district, but the remaining budget must be gathered through fundraising. A fully funded program enables South to field enough teams to allow any incoming 9th and 10th graders to play on a team.

Our soccer teams and community are asking for your support to keep our men's and women's soccer programs inclusive and focused on student success. **We are seeking official sponsors for home varsity games and our big fundraising event, Super Soccer Saturday on September 26, 2026.**

Sponsorship levels:

$250	• Acknowledgement on all digital sites, including Soccer Booster newsletter, website, Southhighsoccer.org, and South soccer teams' social media accounts • Company name/logo will appear in South High Soccer's Super Soccer Saturday program

$1000	• Everything at the $750 level • Company name/statement press box announcer shout out 2-3 times (and up to 8x for Super Soccer Saturday) at all home varsity game press box announcements and live streams

Please provide a monetary value of the donated items, as the amount is tax-deductible. We are a nonprofit 501(c) 3 organization established through the Friends of South High Foundation. Please write checks to South High Foundation and in the memo line add "soccer booster club".

South High Soccer programs build community and support our student athletes. Thank you for your support of South High Soccer! ¡Vamos Tigres!
