

## OFNMAXXING GUIDE:

Would it be fair to say it's been awhile r/tnomod? Four months since the last Google Docs, and now, about a month since the OFNmaxx post I've made.

Either as VOROSHILOV'S GREATEST LOYALIST, TUKHACHEVSKY'S STRONGEST SOLDIER, OR TARUC'S LAST SOLDIER, you've probably have seen or met me in some form or another. In this Google docs, we're finally going to discuss how to OFNmaxx **PROPERLY**.

No, this will not contain purely good endings, this will only assume if you have the Hart enough to sacrifice good endings for an OFN-dominated world. But seeing you here, is that really a question that matters at this point? As it says on the Great Seal of the United States of America:

## NOVUS, ORDO, SECOLORUM!

Enough LARPing around (Even though this is quite literal LARP), get the following submods ready:

- > The New Order: Second West Russian War
- > The New Order: Operation Deep Freeze

NOTE: This is done during the time of writing, Will likely become outdated in the future!

NOTE II: IT IS HIGHLY RECOMMENDED TO USE CUSTOM COUNTRY PATHS IN THE GAME MENU IN ORDER TO DO THIS RUN. **ESPECIALLY FOR THE TINIEST DETAILS.**

# NORTH AMERICA:

- > The United States of America:

Do I really need to explain how the United fucking States of America joins the OFN?

- > The Commonwealth of Canada:

Starts as a member of the OFN, don't be shocked.

- > West Indies Federation:

Starts as a member, all its constituent members remain part of the OFN if the WIF collapses.

**NOTE: IF JAMAICA LEAVES VIA COUP, JAMAICA WILL BE NEUTRAL AND NOT PART OF EITHER THE OFN OR US SPHERE. IF JAMAICA LEAVES VIA REFERENDUM, THEY'LL REMAIN PART OF THE OFN AND US SPHERE!**

- > Crown Colony of Belize:

Starts as a member, WILL become an puppet to Monarchist Free Britain.

- > Republic of Iceland:

Starts as a member, WILL LEAVE if the Pro-OFN Party fails to get elected.

> Republic of Cuba and Dominican Republic:

The Following Steps are required to get these two nations in the OFN at the same time:

**FIRST STAGE: DOMINICAN CIVIL WAR AND PUERTO PLATA**

> Firstly, Cuba must turn Democratic. If not, Despot Cuba will only join the US Sphere.

> Secondly, America MUST win the Puerto Plata War, this will enable Cuba to join the OFN.

> Thirdly, NO COMPROMISE WITH BALAGUER, America must destroy Balaguer's regime. If done, this allows Cuba's accession to the OFN.

> Fourth, The Caribbean Legion must win the ensuing Dominican Civil War.

**IF DONE RIGHT, CUBA WILL JOIN THE OFN A FEW MONTHS AFTER THESE CONFLICTS HAVE FINISHED.**

**SECOND STAGE: THE HAITIAN CIVIL WAR AND RED HAITIAN BLITZ**

> Firstly, The Dominican Republic MUST turn Communist.

> Secondly, The PPLN General Uprising should be ignited.

> Thirdly, Once the PPLN Uprising has started, it will form an faction between Red Dominica and Red Haiti, igniting the Red Haitian Blitz.

> Lastly, Haiti is meant to beat these two nations. Once victorious, the OFN-OAS Mandate of the Dominican Republic will be established.

**IF DONE RIGHT, THE OFN-OAS MANDATE WILL BE PART OF THE OFN.**

# SOUTH AMERICA:

- > Brazilian Occupation of Paraguay:

  - In order to spawn the Paraguayan Puppet, FULNA must win the Battle of Asuncion. Ousting the Fascist/National Socialist Dictatorship beforehand doesn't matter. Once done, it will start the Second Paraguayan War. Brazil must win to spawn the Military Mandate.

- > Republic of Colombia:

  - There are TWO ways Colombia can join:

  - FIRST COLOMBIAN CIVIL WAR:** (The desirable one)

      - > Through an Elected Victory

    - > It MUST be the Gaitanistas for them to join the OFN

  - THIRD COLOMBIAN CIVIL WAR:** (The backup one)

    - > The United Democratic Front must win the Second and Third Colombian Civil Wars

    - > Once triumphed, it will immediately join the OFN

## SOUTH AMERICA: (2WRW)

## OCEANIA:

There's no need, all of them have already joined the OFN and won't leave regardless. Just get the ports and Hawaii back as the USA.

**WHY ARE YOU STILL HERE, SCROLL DOWN**
