

## **unhappy song**

take the time to listen  
you're missing the song  
you're missing the point of the song  
not just words that i'm singing  
they go with the song  
they give life to the song  
and if it's sad then i'm sorry  
but please understand  
it is a part of me  
you want to dance  
and that's all right  
but dance with me  
and i will dance with you

happy songs are for happy people  
they're easy to please  
they're already satisfied  
the songs i sing are for no one  
and everyone  
they are for anyone  
who takes the time to listen  
it's easy to hear  
but hard to understand  
you want to dance and that's all right  
but dance with me  
to somebody else's song  
and let mine go unheard
