

Privacy Policy

This Privacy Policy applies to the mobile application developed by Ruslan Onoiko

Information Collection and Use

The Application collects information when you download and use it. This information may include:

The IP address of your device

The pages you visit within the Application, including the time, date, and duration of each visit

The time you spend using the Application

The operating system of your mobile device

The Application does not collect precise location data from your device.

The Service Provider may use the collected information to contact you with important updates, notices, or promotional offers.

For a better user experience, the Service Provider may ask for specific personally identifiable information. Any information you provide will be stored and used according to this Privacy Policy.

Third-Party Access

Only aggregated and anonymized data is shared with third-party services to help the Service Provider enhance the Application and their services. The Service Provider may disclose your information under the following circumstances:

When required by law, such as in response to a subpoena or similar legal process

When the Service Provider believes disclosure is necessary to protect their rights, your safety, or the safety of others, to investigate fraud, or to respond to a government request

To trusted service providers who work on behalf of the Service Provider, have no independent use of the information, and have agreed to follow the terms outlined in this Privacy Policy

Data Retention Policy

The Service Provider will retain the information you provide as long as you continue to use the Application and for a reasonable period thereafter. If you wish to have your information deleted, you can contact the Service Provider at onurmutluoglu@outlook.com, and they will respond in a reasonable time.

Children

The Service Provider does not knowingly collect or solicit information from children under the age of 13. The Service Provider does not knowingly collect personally identifiable information from children and encourages parents and guardians to monitor their children's online activities. If you believe a child has provided personal information, please contact the Service Provider at onurmutluoglu@outlook.com so that necessary actions can be taken. You must be at least 16 years old to consent to the processing of your personally identifiable information in certain countries. In some regions, a parent or guardian may consent on behalf of the child.

Security

The Service Provider is committed to safeguarding the confidentiality of your information. They use physical, electronic, and procedural safeguards to protect the data they process and maintain.

Your Consent

By using the Application, you consent to the collection and processing of your information as described in this Privacy Policy, including any updates made.
