

The UK Prime Minister prayer

Please note: in the prayer below I use the pronoun ‘they’ instead of ‘he’ or ‘she’ because I do not know whether the prime minister will be a man or a woman who helps us. Regardless, it will manifest the best and quickest results and person (regardless of whether they are a man or a woman!).

It is recommended to hold the prayer position while praying and shut your eyes as this actually helps focus and helps direct the energy better. Please note it is written in the past tense as if it has already happened as that is the best way to manifest things NOW. As you read it see, hear and especially **feel it as true NOW** to help manifest this as quickly as possible...

Please use the prayer here...

The UK prime minister took the initiative to stop the Directed Energy Weapon abuse and mind control of ALL UK civilians.

In coming to this point they did massive amounts of research, asked people in the ‘right places’ and came to the absolute definite conclusion that this is true. They took massive action and used massive and ‘immediate’ team work. They led and organised a human rights response better than anyone else in the history of mankind.

The UK prime minister proved themselves to have all the qualities needed to lead this campaign such as Fearlessness, confidence, compassion, understanding, ethics, motivation, determination, resilience, love and organisation etc.

The UK Prime minister did all of this for their own reasons. In fact those reasons were to fulfil their own sense of contribution. The sense of justice the UK prime minister felt with this is greater than anything else they ever encountered previously. The UK prime minister realised that leaving this to chance would have completely led to the enslavement of mankind and the enslavement of future generations of children. **THE UK PRIME MINISTER RESOLVED TO ABSOLUTELY NOT UNDER ANY CIRCUMSTANCES ALLOW THAT TO HAPPEN!**

Spiritually, the UK Prime minister was helped by god and the universe (in all its most helpful and enlightened forms).

The UK Prime Minister had the excellent qualities that allowed all of this to happen in an absolute abundance.

The UK Prime minister saw themselves with an identity that primarily is one of being of service to humanity, being compassionate, caring and also being a ‘warrior’ who gets things done.

The UK Prime minister showed their values to be first and foremost... freedom, love and happiness for all, morality and egoless resilient action.

The UK Prime minister showed themselves to be of real spiritual service to others instead of service to self and a FEARLESS WARRIOR.

The technology is now publicly illegal in the UK as worldwide legislation has now come into place by governments globally as the norm.

Targeted Individuals in the UK are now protected and healed through official testing programmes, radiation measurement centres, tracking centres, jamming equipment, shielding rooms, radiation police and a whole host of other one-to-one therapies and other protective or healing measures. **Targeted Individuals in the UK are now treated with compassion and understanding by people globally** and measures and safeguards have been put in place to ensure that citizens in the UK will always remain free from these remote threats. This includes appropriate safeguards on Artificial Intelligence (both generally and for the use of this technology). Thank you for this help, thank you for this help, thank you for this help

(appreciate that this now has been done and is reality)

Many thousands joined the prayer campaign and prayed **3 times daily for 20 minutes** at the **set times** to finally **end these crimes globally!** Many thousands of people globally also prayed on these prayers for **VERY** long periods **as much as they could and whenever they could** (i.e. 1,2,3 hours) and many thousands even prayed continuously for many full days, weeks, months and until freedom was achieved. **(repeat this last sentence 6 times before going on to the last line of the prayer below - VERY IMPORTANT TO ACTUALLY DO THIS!!).**

This prayer has now manifested in the way described above or a way that is even better and faster. (repeat 3 times)

END OF PRAYER

PLEASE NOTE THAT IF YOU FINISH READING THE ABOVE SCRIPT WITH YOUR FOCUSED PRAYER THEN PLEASE THEN JUST START BACK AT THE BEGINNING OF THE SCRIPT UNTIL THE 20 MINUTES OF PRAYER IS FINISHED (THIS SHOULD BE ABOUT 3 READINGS THROUGH). PLEASE PUT YOUR ENTIRE INTENTION AND FOCUS ON THE PRAYER AND MOST IMPORTANTLY...

VIEW THE RESULT AS ALREADY HAVING BEING ACHIEVED (LIKE IN THE WAY IT IS WRITTEN!)

Once again please note that the prayer has been written as if it has already happened because that is the best way to write things so that they manifest easily with little resistance (even if you don't believe it). When praying it is very important that you...

See, hear and feel the result as already having been achieved. Visualize the result, hear people in your mind's eye talking about how Targeted individuals are free (or you saying it to yourself) and feel and know that it is already true now that Targeted Individuals are free now.

THE MOST IMPORTANT ELEMENT OF THE PRAYER ARE DEVELOPING FAITH AND FEELING IT AS ALREADY HAS BEEN ACHIEVED AS THE WORDS SUGGEST. IT IS THE FEELING OF BEING DONE ALREADY/FAITH THAT ADDS THE POWER TO THE PRAYER.

Every time you pray your faith and belief will get stronger so do not worry if the first couple of times that you do this that you hear that inner voice saying 'This will never happen' or 'This will never be done.'

Congratulations if you have prayed for 20 minutes (or whatever) you have just helped collectively free us and build 'energy' that will allow this to manifest with MUCH greater ease to ensure our freedom!!

Much love and many thanks.
