2026–2027 AP Exam Registration Directions

Español aqui

Registration Deadlines

All registration steps **must** be completed by the deadlines below.

Course	Deadline
Semester 1 & Full-Year AP Courses	**November 1, 2026 at 11:59 PM**
Semester 2 AP Courses	**March 1, 2027 at 11:59 PM**

> **The registration deadlines are firm. Once the College Board closes the exam ordering system, schools are no longer able to order additional exams. Because of this, Lyons Township High School cannot accept late registrations or make exceptions.**

Step 1: Join Your AP Class in College Board

1. Go to your College Board **My AP** account.
2. Sign in using your existing College Board account.
    - You likely already have an account if you have taken:
        - the PSAT or SAT, or
        - any previous AP Exam.
    - If you forgot your username or password, use the account recovery tools.
    - If you still cannot access your account, contact AP Services for Students:
        - Phone: 866-630-9305 or 888-225-5427
        - Email: apstudents@info.collegeboard.org
3. If you have never created a College Board account, create one.
4. Click **Join a Course or Exam**.
5. Enter the join code provided by your teacher.
6. Verify that the course information is correct and complete the requested registration information.
7. Repeat this process for each AP course you are taking.

Step-by-step picture directions and a video tutorial are available.

Step 2: Pay for Your AP Exam(s)

Students enrolled in AP courses are **automatically billed** for the corresponding AP Exam through the Infinite Campus Portal.

Exam Cost

- $99 per exam

Fee Waivers

Students who qualify for the Lyons Township High School Fee Waiver will have their AP exam fees covered.

If you believe you may qualify, please complete the district's fee waiver application. Information about eligibility and the application process can be found here.

Payment Plans

Payment plans are available for families who need additional time to pay. More information on payment plans for AP testing can be found here.

Important Information

If You Do Not Want to Test

If you do not wish to take an AP Exam, you must submit the AP Exam Cancellation Form by the appropriate registration deadline.

- Students who cancel after **November 1** and have already paid will receive a partial refund.
- No refunds are available after **March 1**.
- All cancellations are final. You will not be able to reverse your decision or reinstate your exam at a later date.

Late Registration

- Exams paid for after **November 1** for semester one or full-year courses will incur the College Board $40 late fee.
- **No exams can be ordered after March 1.** Once the College Board closes the ordering system, additional exams cannot be added under any circumstances.

Exam Only Registration

If you wish to take an AP Exam for a course you are not currently enrolled in, please see our Exam Only policy here.

Helpful Hints

- When selecting your school, choose **Lyons Township High School North Campus** (College Board School Code: **142483**).
- When asked for your school's city, enter **LA GRANGE** (with a space), even if you attend South Campus.

Optional College Board Programs

As part of the AP registration process, students will have the opportunity to opt in to two free College Board programs: BigFuture School and Connections™.

BigFuture School is a free mobile app that helps students explore college and career options with personalized planning tools and resources.

Students may also choose to opt in to Connections™, an optional program that allows them to receive information about nonprofit colleges, scholarship programs, and educational organizations that may be a good fit. Communications are sent through the College Board, and students decide if and when they would like to contact an institution directly. **As part of Connections, the College Board does not share students' personal information with participating organizations.**

Participation in both programs is completely optional. To learn more about BigFuture School and Connections, visit BigFuture School and Connections.

Questions?

If you have questions about registration, payment, payment plans, or the AP Exam process, please contact **Kristine Zieman**.
