

Hi Freedom Group,

We were encouraged in Lesson 10 to use the authority we have through Christ to defeat our enemy. **Use the resource, The Armor of God [pgs. 212-213] to strengthen yourself as you begin to fight for your freedom in Christ.**

This week, we will discover that we are Vessels of Honor through Lesson 11 [pgs. 145-163]. As you hear so often at Freedom Church, you are meant to make a difference. No matter what you have journeyed through, you belong to God and He has a purpose for you.

Take time this week to secure your plans to join us for the Freedom Conference [May 3rd & 4th, 2024]. Some things that you will want to consider: daily prayer time, registration for the conference, arranging childcare, and planning your work schedule.

You can find conference information and registration here: [FREEDOM CONFERENCE](#)

Please let us know if you have any questions.

Praying with you,
