

Announcement of Faculty of Environmental Management, Prince of Songkla University

Determine the cost support for academic presentations for graduate students

-----

According to the fourth management team meeting of the Faculty of Environmental Management on April 14, 2021 via an online meeting, it approved to support the expenses for presenting academic works for graduate students in the amount of 10,000. - baht. By supports only students who must graduate with full academic presentations.

In the case, students receive a scholarship that waives tuition fees and must complete the studies with an academic presentation, Full Proceedings **will not be able to reimburse such support.**

This is effective for students from the academic year 2021 onwards.

Announced on April, 2021

(Associate Professor Dr. Kua-anan Techato)

Dean of the Faculty of Environmental Management
