To do: Would you please join the google classroom by clicking on the link below to access homework and the lesson plan for the month of [month] for [Students name]? Please note that learning and practicing using the assigned links is mandatory for tracking student performance.

Notes

-> Assignments will be posted in google classroom after every class. Students have to complete them at home and upload it in google classroom or get it to the center for review and grading. *If uploaded, it would be great as we will have a track of student performance.*

-> Only when you join the classroom, you can view the homework assigned by the teacher.

-> If you need to schedule a parent-teacher conference please use:
<https://calendly.com/parinama/parent-teacher-conference>

Would you please let us know if you have any questions?

Thanks
