Director - Inflow Technologies Pvt Ltd

Email id: atul.gaur@savex.in | Contact Details: 9820099409

An Electronics Engg. graduate from NIT Jaipur. Atul is a highly accomplished Techno Commercial Business Leader with 33 years of experience in IT, Mobility, e commerce, Security and Cloud based services industry.

He has extensive experience in developing and managing the IT (Information Technology) channel ecosystem since the early 1990s, when organized distribution began to emerge in India. His career includes serving in both Indian and global markets, particularly in the US and Singapore. Early in his career, as Director and Regional Process Owner, he represented the Asia-Pacific region and contributed to the design of SAP processes.

At Savex, he currently leads key strategic initiatives related to overall business expansion, overseeing the security, cloud, e-commerce, and collaboration verticals.

He is driven by a quest to discover "Who am I," which fuels his passion for spiritual learning and meditation. Additionally, he enjoys watching sports and traveling.
