ABOUT US

Softball New Brunswick is the official governing body of Fast Pitch, Orthodox and Slo-Pitch in the province and our mandate is to promote softball in all areas of the province for the enjoyment of all registered members from playground to podium. We are a not-for-profit Provincial Sport Organization (PSO) based in Fredericton, NB founded in 1926. As an organization, we are recognized and financially supported by the Government of New Brunswick Tourism, Heritage and Culture Branch (Sport and Recreation Branch).

PRESIDENT'S MESSAGE

On behalf of Softball New Brunswick, our Board of Directors and staff, welcome to the 2025 softball season. I want to thank our many local associations and all the volunteers involved for their efforts and dedication to the game of softball. It would not be possible without you.

We look forward to another exciting season in 2025, with Provincial Championships, Eastern Canadian Championships, sending our NB Selects Provincial Team Program and high-performance officials to Canadian Championships across the country. This year, we are especially proud to support our athletes and coaches as they represent New Brunswick at the Canada Games in St John's, Newfoundland. It is an incredible opportunity to showcase the talent and hard work of our players and staff on a national stage.

We are excited to see continued growth and development across our minor programs ('A' and 'AA') and adult programs. This season, we remain focused on the recruitment and development of officials and coaches through professional development initiatives, NCCP courses and Mentorship opportunities. We are also excited to continue with our Community Development Program, which was able to help with the start up of two new programs, Grand Manan and MacNamee, and run sessions in Woodstock and Campobello, emphasizing the teaching of fundamentals to help grow the game at the grassroots levels.

Finally, we wish all players, coaches, and umpires a successful, fun, and memorable softball season in 2025!
