SCESoc Winter Directorships 2024

Available Positions:

VP Finance and Administration

Assistant Finance

Medium Commitment

The assistant finance is responsible for helping VP Finance and Admin with funding applications, acquiring sponsors, and other finance and administration duties. This role will require working as a part of a team and is likely to require strong communication skills and attention to detail.

VP Academic

Assistant Academic

Medium Commitment

The assistant academic is responsible for helping the VP Academic contact other societies and companies, as well as helping with planning for projects that fall under the VP Academic portfolio.

Competitions Coordinator

Medium Commitment

The competitions coordinator is responsible for helping the VP Academic plan and deliver fair and entertaining competitive events and challenges that are inclusive to all experience levels.

VP Social

Assistant Social

Medium Commitment

A combination of two positions to aid in creating and running social events through the winter semester. They are responsible for planning and attending SCESoc

events and assisting the VP Social with anything else they may need help with. This will include setting up and tearing down events and planning our large-scale event Societal Wars.

VP Publications

Assistant Publications

Low Commitment

The assistant publications is responsible for moderating the SCESoc Discord Server, creating reels for the official SCESoc Instagram account, and assisting the VP Publications with anything else they may need help with. These tasks may include updating the SCESoc website, managing the SCESoc Instagram/FaceBook, creating advertisements, handling posters, and completing other publications-related projects.

Website Developer

High Commitment

The website developer is responsible for collaborating closely with the rest of the development team to build the SCESoc website from scratch. They may help with the website graphic design, front-end development, back-end development, or full-stack depending on interest and experience. There may be additional tasks assigned that relate to the SCESoc website.
