

Name of Course: Golf I
Course Name & Number: KINE 1120
Section Number & Synonym: /

Instructor Name:

Office:

Phone:

Email:

Office Hours/Appointments: 30 minutes before/after class, by appointment-please let me know either during class or by phone if you need to talk to me.

Course Description: Golf II addresses individual problems and strives to improve techniques.

Prerequisites: KINE 1120 or have played on a high school golf team or had experience playing golf.

Instructional Methodology: Golf II is in a lecture/lab format. This is primarily an activity and participation course. The specific task skills/exercises will be explained and demonstrated. Students will then be given the opportunity to complete the task skills/exercises to the best of their ability. Lecture, demonstrations and videotapes will be utilized.

Course Rationale: The purpose of this course is to learn the specific skills and/or the techniques of the activity. By actively participating in an activity class, the student may gain health benefits such as increased cardiovascular endurance, improved body composition, increased flexibility, increased muscular endurance and increased muscular strength. Participating in activity classes leads to a healthier lifestyle.

Objectives:

1. To correct errors in the basic golf swing.
2. To improve the golf swing as applied to fairway clubs, long irons, mid irons, short irons irons and putter.
3. To understand the game, its traditions, and etiquette.
4. To develop a desirable attitude towards golf as a life-long, healthy recreational sport.

Text: See instructor's syllabus.

Appropriate attire will be discussed the first day of class as well as required materials for class.

Instructional Guideline and Timetable/Calendar:

Please let me know during the first week of class the particular areas that you want to work on so that I can provide you with methods and exercises to correct those problem areas.

Week _ through _ Development of grip, stance and weight transfer.

Development of full golf swing.

Golf II review of grip, stance, and weight transfer.

Week _ through _ Application of grip, stance and weight transfer through chip and pitch shots.

Golf II identification and correction of common errors in chip and pitch shots.

Week _ through _ Development of short irons and putting techniques.

Golf II practice of short iron and putting techniques.

Identification of common errors in putting and ways to improve shots.

Week _ through _ Development of "trouble shots."

Golf II improving difficult shots.

Week _ through _ Development of mid irons.

Development of long irons.

Development of fairway clubs.

Golf II fine-tuning of irons and fairway clubs.

Written exam.

Class play with coaching; this includes competitive play.

*******Inclement Weather Days*******

Videotapes of technique, discussions, rules review, scoring, and technique will be covered. Call 386-7077 (Riverside Golf Course Pro Shop) after 8:00am on the day of the class for meeting location if the weather is questionable.

Course Policies:

ALL students will complete health form prior to participating in class. Those students who require modification of any specific activity or exercise need to inform the instructor as soon as possible.

Cell phones, food, gum, and drinks other than water are not allowed in classrooms/workout areas.

Proper workout shoes and clothing are required. Look under course requirements.

Course Requirements:

1. #7 putter for the first 5 weeks; a minimum of putter, a fairway club (metal or wooden), #3, 5, 7, 9 irons and bag for the remainder of course.
2. Golf shoes or rubber soled athletic shoes are to be worn.
3. Proper Golf attire:
 - Shirt with sleeves and flap collar
 - Loose fitting trousers/pants (no shorts or tights)
 - Cap or visor
 - Socks worn with shoes
4. No more than three absences during the term.
5. Completion of the written exam on _____ and skills tests. **NO MAKE-UP FOR WRITTEN EXAM.**

Course Evaluation

1. Knowledge of subject matter (written exam) 10% (10 points)
2. Performance-35% (35 points)
 - Skill tests
 - a. golf swing (7 points)
 - b. short, mid and long irons (7 points)
 - c. fairway clubs (7 points)
 - d. putting (7points)
 - e. trouble shots (7 points)
3. Improvement/ Attendance/ Participation 55% (55 points)

Instructor's evaluation of student's progress during the term.

This includes regular attendance, participation and etiquette.

Regular attendance is essential for student progress.

3 absences maximum allowed

3 tardies = 1 absence

Please see me concerning any make-ups.

Course Policies:

ALL students will complete health form prior to participating in class. Those students who require modification of any specific activity or exercise need to inform the instructor as soon as possible.

Cell phones, food, gum, and soft drinks are not allowed in classrooms.

No children are allowed in the gym.

Attire will be discussed in class.

Attendance: All students are expected to attend classes. Non-attendance will have an impact on the student's grade. The specific attendance policy for this particular class is as follows:

Each absence will cost 5 points. Please see me about making up work.

Missing or late work: See instructor's syllabus.

From the ACC Student Handbook:

Withdrawal: It is the student's responsibility to withdraw from a course. Instructors are allowed to withdraw students but students must not rely on their instructor to withdraw them if they wish to withdraw.

Incomplete: An incomplete (I) will be granted to a student in rare circumstances. Generally, to receive a grade of I, a student must have completed all examinations and assignments to date, be passing, and have personal circumstances that prevent course completion that occur after the deadline to withdraw with a grade of W.

Withdrawal: It is the responsibility of each student to ensure that his or her name is removed from the roll should he or she decide to withdraw from the class. The instructor does, however, reserve the right to drop a student should he or she feel it is necessary. If a student decides to withdraw, he or she should also verify that the withdrawal is submitted before the Final Withdrawal Date. The student is also strongly encouraged to retain their copy of the withdrawal form for their records.

Last day to withdraw is November 28.

State law permits students to withdraw from no more than six courses during their entire undergraduate career at Texas public colleges or universities. With certain exceptions, all course withdrawals automatically count towards this limit. Details regarding this policy can be found in the ACC college catalog.

ACC Policies:

Attendance/Class Participation

Regular and punctual class and laboratory attendance is expected of all students. If attendance or compliance with other course policies is unsatisfactory, the instructor may withdraw students from the class.

Withdrawal Policy

It is the responsibility of each student to ensure that his or her name is removed from the roll should he or she decide to withdraw from the class. The instructor does, however, reserve the right to drop a student should he or she feel it is

necessary. If a student decides to withdraw, he or she should also verify that the withdrawal is submitted before the Final Withdrawal Date.

Students who enroll for the third or subsequent time in a course taken since Fall, 2002, may be charged a higher tuition rate, for that course. Health & Kinesiology activity classes are exempt from being charged a higher rate.

State law permits students to withdraw from no more than six courses during their entire undergraduate career at Texas public colleges or universities. With certain exceptions, all course withdrawals automatically count towards this limit. Details regarding this policy can be found in the ACC college catalog.

Incompletes

An instructor may award a grade of “I” (Incomplete) if a student was unable to complete all of the objectives for the passing grade in a course. An incomplete grade cannot be carried beyond the established date in the following semester. The completion date is determined by the instructor but may not be later than the final deadline for withdrawal in the subsequent semester.

Statement on Scholastic Dishonesty

A student attending ACC assumes responsibility for conduct compatible with the mission of the college as an educational institution. Students have the responsibility to submit coursework that is the result of their own thought, research, or self-expression. Students must follow all instructions given by faculty or designated college representatives when taking examinations, placement assessments, tests, quizzes, and evaluations. Actions constituting scholastic dishonesty include, but are not limited to, plagiarism, cheating, fabrication, collusion, and falsifying documents. Penalties for scholastic dishonesty will depend upon the nature of the violation and may range from lowering a grade on one assignment to an “F” in the course and/or expulsion from the college. See the Student Standards of Conduct and Disciplinary Process and other policies at <http://www.austincc.edu/current/needtoknow>

Student Rights and Responsibilities

Students at the college have the rights accorded by the U.S. Constitution to freedom of speech, peaceful assembly, petition, and association. These rights carry with them the responsibility to accord the same rights to others in the college community and not to interfere with or disrupt the educational process.

Opportunity for students to examine and question pertinent data and assumptions of a given discipline, guided by the evidence of scholarly research, is appropriate in a learning environment. This concept is accompanied by an equally demanding concept of responsibility on the part of the student. As willing partners in learning, students must comply with college rules and procedures.

Statement on Students with Disabilities

Each ACC campus offers support services for students with documented disabilities. Students with disabilities who need classroom, academic or other accommodations must request them through the office of Student Accessibility Services (SAS). Students are encouraged to request accommodations when they register for courses or at least three weeks before the start of the semester, otherwise the provision of accommodations may be delayed.

Students who have received approval for accommodations from SAS for this course must provide the instructor with the 'Notice of Approved Accommodations' from SAS before accommodations will be provided. Arrangements for academic accommodations can only be made after the instructor receives the 'Notice of Approved Accommodations' from the student.

Students with approved accommodations are encouraged to submit the 'Notice of Approved Accommodations' to the instructor at the beginning of the semester because a reasonable amount of time may be needed to prepare and arrange for the accommodations.

Additional information about Student Accessibility Services is available at <http://www.austincc.edu/sas>

Safety Statement

Austin Community College is committed to providing a safe and healthy environment for study and work. You are expected to learn and comply with ACC environmental, health and safety procedures and agree to follow ACC safety policies. Additional information on these can be found at <http://www.austincc.edu/ehs>.

Because some health and safety circumstances are beyond our control, we ask that you become familiar with the Emergency Procedures poster and Campus Safety Plan map in each classroom. Additional information about emergency procedures and how to sign up for ACC Emergency Alerts to be notified in the event of a serious emergency can be found at <http://www.austincc.edu/emergency/>.

Please note, you are expected to conduct yourself professionally with respect and courtesy to all. Anyone who thoughtlessly or intentionally jeopardizes the health or safety of another individual will be immediately dismissed from the day's activity, may be withdrawn from the class, and/or barred from attending

future activities.

The College District prohibits the use, distribution, and/or sale of tobacco, smoke, and nicotine vapor products and devices (including but not limited to cigarettes, cigars, pipes, water pipes, hookahs, electronic cigarettes, smokeless tobacco, snuff, chewing tobacco, or any other related products and devices) by any person on all premises owned, rented, leased, or supervised by the College District, including all College District facilities, buildings, and grounds. This prohibition applies to property owned by others that the College District uses by agreement, and further applies to all District vehicles. The only exception to this total prohibition shall be in those circumstances where the College District is party to a contract or other agreement relating to the property that limits its authority in this regard.

Use of ACC Email

All College e-mail communication to students will be sent solely to the student's ACCmail

account, with the expectation that such communications will be read in a timely fashion.

ACC will send important information and will notify you of any college related emergencies

using this account. Students should only expect to receive email communication from their instructor using this account. Likewise, students should use their ACCmail account when communicating with instructors and staff. Instructions for activating an ACCmail account can be found at <http://www.austincc.edu/accmail/>.

Student And Instructional Services

ACC strives to provide exemplary support to its students and offers a broad variety of opportunities and services. Information on these services and support systems is available at: <http://www.austincc.edu/support/>

Links to many student services and other information can be found at <http://www.austincc.edu/current/>

ACC Learning Labs provide free tutoring services to all ACC students currently enrolled in the course to be tutored. The tutor schedule for each Learning Lab may be found at:

<http://www.austincc.edu/tutor>

For help setting up your ACCeID, ACC Gmail, or ACC Blackboard, see a Learning Lab Technician at any ACC Learning Lab.

Campus Carry: The Austin Community College District concealed handgun policy ensures compliance with Section 411.2031 of the Texas Government Code (also known as the [Campus Carry Law](#)), while maintaining ACC's commitment to provide a safe environment for its students, faculty, staff, and visitors.

Beginning August 1, 2017, individuals who are licensed to carry (LTC) may do so on campus premises except in locations and at activities prohibited by state or federal law, or the college's concealed handgun policy.

It is the responsibility of license holders to conceal their handguns at all times. Persons who see a handgun on campus are asked to contact the ACC Police Department by dialing 222 from a campus phone or 512-223-7999.

Note: All ACC Health and Kinesiology activity classes may involve considerable physical activity. Bending, stretching, lifting, and other rigorous activities occur regularly in class. Such activities may expose concealed weapons and place the license holder in violation of state law.

All ACC gyms, including the golf course, are concealed weapons exclusion zones. (<http://www.austincc.edu/campus-carry/policy>)

Testing Center: Under certain circumstances, an instructor may have students take an examination in a testing center. Students using the Academic Testing Center must govern themselves according to the Student Guide. Use of ACC Testing Centers and should read the entire guide before going to take the exam. To request an exam, one must have:

- ACC Photo ID
- Course Abbreviation (e.g., ENGL)
- Course Number (e.g., 1301)
- Course Synonym (e.g., 10123)
- Course Section (e.g., 005)
- Instructor's Name

Do NOT bring cell phones to the Testing Center. Having your cell phone in the testing room, **regardless of whether it is on or off**, will revoke your testing privileges for the remainder of the semester. [ACC Testing Center policies](#).

ALL Austin Community College Testing Centers are Exclusion Zones where concealed handguns are prohibited. (<http://www.austincc.edu/campus-carry/policy>)

Upon completion of the **Associate of Applied Science Degree in Kinesiology or Health**, the student will be able to:

1. Describe the principles and parameters of kinesiology and physical fitness
2. Apply effective coaching and teaching strategies for kinesiology
3. Explain lifetime fitness promotion
