Mr. Kevin 02-751-1211

Dear Parents and the TCIS Community,

My name is Mr. Kevin and I am happy to be here at the Thai Chinese International School. I am looking forward to leading the High School and supporting the students in achieving their goals for a successful future. Just to let you know a little bit about myself, I am originally from Laguna Beach, California but have an extensive amount of international experience, as I have worked in international schools for over 25 years. I have been an educational leader in top schools around the world including in Japan, Vietnam, Thailand and of course the United States. I have a Bachelor's in History, a Master's in Education and a Post-Master's in Educational Leadership. Besides my passion for education, I enjoy spending time with my family, going to the beach and playing sports. I am excited about this school year and look forward to being part of the TCIS community.

American Curriculum and Trilingual Education since 1995

This year, I will be working closely with the Heads of Department and teachers at all grade levels to review and improve our curriculum in preparation to become an IB-authorized school offering the Diploma Programme for students in grades 11 and 12. TCIS continues in its commitment to offer world-class education following an American curriculum, and we look forward to adding additional opportunities for our high school students to study challenging courses and receive internationally recognized credentials.

Throughout the year, I look forward to sharing with you about the steps the curriculum department is taking to better serve our students. From adding courses in our middle and high school course catalog to providing updated materials for practice and performance in our elementary classrooms, the curriculum department is working hard to serve all TCIS students.

News from the High School Counselor

Hello Parents!

Welcome back to another year at TCIS! I hope you all enjoyed a restful summer with your families. For my first message of the year, I want to highlight some of the upcoming university fairs and college visits we will be hosting at TCIS. With some of the COVID restrictions being eased, we are happy to be hosting universities on campus once again. Below are some dates and times of our upcoming fairs and university visits. In addition to these fairs, I will be hosting several universities in my Senior Seminar class throughout the year. Any student who is interested in hearing from these universities is welcome to attend with permission from their teacher to miss class time. My class meets on Day 1, D Block.

- September 12, 8-10AM: KIC UnivAssist Fair (US colleges)
- September 14, 2:30-3:10: Les Roches and Glion Institute of Higher Education (Switzerland & UK)
- September 23, 1-1:45PM: AEO Tour (US colleges)
- September 29, 2-3PM: Mahidol University International College
- September 30, 8-9:30AM (NOVVA virtual fair, US colleges)

I will provide a full list of which universities will be in attendance at these fairs when that information becomes available to me. I will also continue to notify all of you about any new upcoming fairs and university visits that are not already on this list. Many will be on campus at TCIS, and some will be online or in other parts of Bangkok.

College visits are an important way for students to connect directly with universities. The representatives that come to these fairs are oftentimes the very same people reading the applications and making the acceptance decisions. Students are encouraged to come to the fairs with questions they want answered and to come with an open mind. Some of these universities may not be known to you or your child just yet, but that certainly does not mean these are schools not worth listening to. Students can learn a tremendous amount even from schools that are not on their college list!

As always, if you or your child have any questions about these college fairs, or anything college application related, please don't hesitate to contact me anytime. My door is always open. Have a great year!

Regards,
Jeff Chelin

Music at TCIS

The **Association for Music in International Schools (AMIS)** sponsors many music events for students in international schools around the world. In the AMIS High School Honor Band and the AMIS High School Honor Choir, **top music students** from the world's best international schools combine in one large wind band or choir and make music together. It is also a great chance to make friends with **excellent international students** from other top international schools, many of whom we will see again at sport tournaments, MUN conferences, and **university entrance** events. Look for more information about **AMIS** coming your way in September. The auditions are competitive, so **it is time to get started** practicing!

Upcoming Events

- **August 31-** Freshmen Orientation coordinated by the Student Council (**Students only**)
- **September 09** - Parent Night
- **September 09-10** - Bangkok International Band Festival at ISB - Grades 8-12

Hair Color Requirement at the TCIS

It is a requirement that students at the TCIS maintain their natural hair color. Other colors (including highlights, shading, etc.) are not acceptable. While students enjoy trying new things in Secondary School, hair color is not one of those things that we allow students to experiment with.

Section 5.4-2 (page 29) of the Student Parent Handbook (Uniform and Appearance) regarding hair color:

Hairstyles, if considered inappropriate for students in a school setting, will not be allowed.

Hair, even if colored, should be of natural hair color or hue.

Hair Styles Not Permitted at TCIS for Students from PK2 to Grade 12

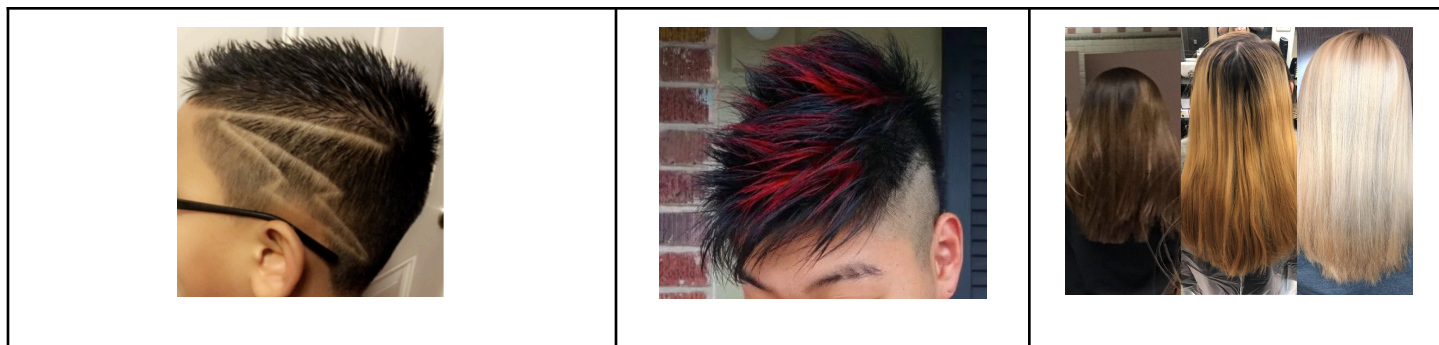

Images such as lightning bolts are not shaved into a student's hair.(Example: Image 1)

Hair must be kept as the student's natural color. Dyed, highlighted, bleached, or colored hair is not permitted at TCIS. (Examples: Images 2 & 3)
