Local Business Owner,

Nampa Minor Hockey Association has a long history in the community. Although it was officially incorporated in 1991, hockey was a staple in the village long before that. At one time our association fielded a team in every level including female. After a period of inactivity, community members revived the association in 2014. What started with just one team has now grown to three, we are home to a mix U7, mix U9 and a girls U11. We typically have 30-40 kids registered in our programs. We have grown interest in female hockey significantly and typically our players on third are female, which we are very proud of.

We draw players from Nampa, Harmon Valley, St. Isidore, Cadotte Lake, Peace River and surrounding rural areas. Our teams all practise at the Nampa Complex Mondays and Wednesday and our game ice is Saturday mornings.

As we continue to grow our association, we face added costs such as equipment, jerseys, added ice costs, referee fees and league fees.
It has always been our focus to try to keep fees reasonable to allow more kids to participate in hockey, who otherwise may not have the opportunity. Because of this, we look to the community when needed to partner with us with sponsorship opportunities. We are grateful for the support we have received these last few years as it has helped us as we continue to grow and bring local hockey back to our small communities. Without businesses such as yourself, it wouldn't have been possible.

We thank our many sponsors on our sponsorship board, which hangs on the bulletin board in the Nampa Complex and on our website www.nampaminorhockey.com. If you choose to support our organization, we would be happy to include your logo on our board. Any amount you choose to give would be greatly appreciated. We would like to take this time to thank-you for your consideration of our request. If you have any questions, please don't hesitate to contact me.

Kristy Provost
President
Nampa Minor Hockey Association

"A fun, safe, great place to start"
