

Tracks are mostly included in the order in which they first appear in-game.

I tried to figure out when tracks were actually the same, but if anyone notices that two rows are actually the same track, please let me know.

All names are my own unless otherwise specified.

Green means I'm satisfied with a name, **yellow** means I'd be happy to hear other suggestions,

red means I'm definitely looking for a better one — add your suggestions.

Old Miltia #3	https://youtu.be/rPWCJ-ybDro?t=627	I decided to go with Kajiura's naming scheme with the numbers for consistency, even though Kajiura almost certainly didn't compose many of these	Probably same one that composed Old Miltia (14 Years Ago)

Sakura #5 (theme-music box ver.)	https://youtu.be/rPWC J-ybDro?t=3519	EN audio only Unreleased variation on Sakura's theme — title on the left is matching the style of the other versions	Definitely Yuki Kajiura
Hide and Seek	https://youtu.be/rPWC J-ybDro?t=4368	Has a little bit of the Uzuki Residence instrument at the start	Maybe Shinji Hosoe (whom we know for certain composed Uzuki Residence)?

Former Doctor in the House	https://youtu.be/rPW CJ-ybDro?t=4699	Named by RawkHawk2010	Sounds a lot like the style of the 2nd Miltia composition

MOMO's sorrow	https://youtu.be/rPW CJ-ybDro?t=5482 https://youtu.be/rPW CJ-ybDro?t=6039	Named by Loading Gears in this video: https://www.youtube.com/watch?v=WES899eh6Bw	Unknown

Worry	https://youtu.be/rPWC J-ybDro?t=5942	Very possibly just rhythmic background noise but it could be a music track, included here for completeness (cowboy: 'Maintenance Preparations' -> 'Worry')	Unknown

(not going to bother titling this one)	https://youtu.be/rPW CJ-ybDro?t=6507	EN audio only. Literally a single held note, the only reason I think it's a music track in itself is because it's the same note/instrument as the start of <i>in the beginning, there was...</i>	Yuki Kajiura if anyone

Clinging Onto Life	https://youtu.be/rPW CJ-ybDro?t=7334	Probably needs a better name than Sakura's House because there are already something like 3 unreleased tracks titled 'Sakura's XYZ'. (cowboy: 'Sakura's House' -> 'Clinging Onto Life')	Unknown

Having Fun	https://youtu.be/rPW CJ-ybDro?t=7907	Sounds kind of like Subconscious Domain (Sakura's World) around 2:12:14 (cowboy: 'Subconscious Domain (Variation)' -> 'Having Fun')	Possibly same one that composed Subconscious Domain (Sakura's World)

Orgulla's Confessional	https://youtu.be/rPW CJ-ybDro?t=10892		Unknown
Ormus Stronghold #3	https://youtu.be/Fgst73oXsBU?t=11412	JP audio only. Not sure whether to go along with the #x naming scheme or name this in the vein of 'Ormus Stronghold - Countdown to Self-Destruct'.	Probably same one that composed Ormus Stronghold and OS - CtSD
The Durandal #2	https://youtu.be/Fgst73oXsBU?t=11518		Probably same one that composed The Durandal

Truth of the Conflict	https://youtu.be/rPW_CJ-ybDro?t=11866	Sounds very distinct from The Land of Mu so I'm putting it as separate. (cowboy: 'U-TIC's Secrets Revealed' -> 'Truth of the Conflict')	Unknown
Yuriev's Order	https://youtu.be/rPW_CJ-ybDro?t=13491		Unknown
Final Preparations (actually Orgulla's Confessional)	https://youtu.be/Fgst73oXsBU?t=14606	JP audio only. I swear I recognise this, but I have no clue from where. (Update: It's Orgulla's Confessional.)	
Jr's Promise	https://youtu.be/Fgst73oXsBU?t=15001	JP audio only. I like having the parallel with Rubedo's Promise, but the names might be too similar?	Unknown
Wraith Virus	[In the cutscene just before the Wraith Virus fight]	Only 3 notes long	Unknown
The Dark Professor	[Immediately before the Dark Erde Kaiser fight]	Minor version of the Robot Academy theme	Unknown
