THE WOODS

How It Works

How Do I Place an Online Cannabis Order?

Customers can browse the online menu, compare available products, select preferred items, and submit an order for pickup. Product listings may include information about category, brand, package size, THC or CBD content, and price.

How Does In-Store Pickup Work?

After placing an order, customers should wait for confirmation that it is ready. At pickup, they must present valid government-issued photo identification, complete payment using an accepted method, and collect the order from the store.

What Should I Bring to Purchase Cannabis?

Every customer must bring valid government-issued photo identification showing that they are at least 19 years old. Customers collecting an online order should also have their order confirmation available.

What Can I Expect When Visiting the Store?

Customers can expect a professional retail environment with clearly organized product categories and knowledgeable staff. Team members can provide factual information about product formats, package sizes, cannabinoid content, and current inventory.

Pricing and Payment

How Much Do Cannabis Products Cost?

Cannabis pricing varies according to product category, brand, potency, package size, and format. Customers can typically find both value-focused and premium options through the online menu.

What Factors Affect Cannabis Pricing?

THE WOODS

Pricing may differ depending on whether the product is flower, a pre-roll, concentrate, edible, beverage, CBD item, or vape. Brand positioning, THC or CBD content, production method, package size, and product format may also influence cost.

Are Promotions Available?

Limited-time promotions may be available on selected cannabis products. Customers should check the current online menu or contact the store for accurate promotional information.

What Payment Methods Are Accepted?

Accepted payment methods may include cash, debit, or credit card, depending on current store policies. Customers should contact the Aurora location when confirmation of a specific payment option is needed.

Cost Factors

The cost of cannabis products depends on several variables. Product category affects pricing because flower, pre-rolls, concentrates, edibles, beverages, CBD products, and vape products are manufactured and packaged differently. Premium and value brands may have different price points, while THC and CBD content can also influence cost. Larger package sizes generally cost more overall than smaller quantities, although unit pricing may vary. Product format and limited-time promotions can further affect the final price.

Legal, Safety and Compliance

Do I Need Government-Issued Photo ID?

Yes, valid government-issued photo identification is required before purchasing cannabis. Staff must verify that every customer is at least 19 years old.

What Is the Legal Age to Purchase Cannabis in Ontario?

The legal age to purchase, possess, and consume recreational cannabis in Ontario is 19. Licensed retailers are required to verify age before completing a sale.

THE WOODS
