Taking Photographs

The Club's Child Protection Policy will not allow the taking of photographs or use of video cameras whilst girls are training and playing. We are sure you fully understand why we are asking that you refrain from doing so. However, we do feel that on special occasions, it would be wrong not to allow you to take team photographs at certain events. In this situation, we ask that you sign the declaration giving your permission for other parents to take photographs, example: Cup Winning Team Photos, at the coach /manager's discretion.

Travelling

Due to insurance purposes and child protection policies we are asking that you sign the declaration giving permission to allow your daughter to travel with other parents to 'away' events should the situation arise.

Club Membership
