I like drawing Furrries, Humans, Animals, and mythical beings :)

I can draw NSFW, 18+ (specialize in softcore)

If you want examples of my nsfw work, please ask in the forum.

I will NOT draw:

- Complex Mechanical Parts/Machinery
- Fetish content I'm uncomfortable with. (feet, vore, unconventional body fluid, animals, anything illegal in America.)
- Nsfw profile pictures. (Simply because the profile pictures I make are mainly used on Discord, and I don't want kids exposed to that on public servers)
