

Moana
Pit/Bulldog mix
Female
1 year old
47 lbs.

I'm Moana, a sweet and friendly pitbull with a heart of gold. Just like my namesake, I'm brave, clever, and always ready to meet new friends.

The humans who know me best say I'm a goofy girl who is especially calm for my age (though I do get the zoomies now and then!). I love nothing more than snuggles and cuddles, and I will happily curl up with my favorite humans (and dogs) for hours on end. I always put on a big smile when you give me scratches and pets in all the right places! I'm also getting pretty comfy snuggling up to my foster mom when I hop into bed for the night.

Even though I'm a bit shy at first, I quickly come out of my cocoon and become a social butterfly, making friends with everyone I meet, whether they are humans or other dogs. I'm an easygoing and affectionate companion who craves attention and affection. I've also never met a stuffed animal I didn't like!

As you might guess from my name, I always look forward to my next big adventure, so I get a little too excited to go on walks. With a little patience and some consistent training, I'll master the art of loose-leash walking and become your best walking buddy! I'm also potty-trained and I know how to "sit," but I'm ready to learn more commands if I'm rewarded with lots of treats and snuggles.

Overall, I'm a wonderful dog with a big heart and a playful spirit. I would make an excellent addition to any family who is looking for a loyal and loving companion.

Are you ready to embark on an adventure filled with lots of love and snuggles from yours truly? Please learn more about the adoption process and fill out an application.
