

1. Purpose

The Games+Learning+Society Conference is committed to providing a welcoming, inclusive conference environment for all attendees, regardless of race, gender, sexual orientation, disability, socioeconomic status, age, or religion.

We invite all those who participate in GLS Conference activities to help us create safe and positive experiences for everyone. This anti-harassment policy outlines our expectations for all those who participate in our conference.

2. Expected Behavior

All conference attendees are expected and requested to act respectfully to other attendees. If you are uncertain about what constitutes acceptable and unacceptable behavior, please contact one of the conference volunteer day captains or co-chairs for a detailed list, which will also be on file at the registration desk.

3. Consequences of Harassment

Harassment from any conference attendee (including sponsors and those with decision-making authority) will not be tolerated. Anyone asked to cease their harassment is expected to comply immediately. If a community member continues to engage in harassment, we may take any action deemed appropriate.

4. Reporting Guidelines

If you are subject to or witness harassment during the conference, or have any other concerns, please find a conference volunteer, who will work with the Day Captains and Co-Chairs to resolve the incident.
