

WOMEN IN STEM: HEROES AMONG US

Proposal Form for Idea Competition

Rules

- Only Undergraduate and class 6-12 students can participate in the competition (open for all countries).
- This is an Online symposium (participants should know how to use Zoom and StreamYard)
- **Registration** can be done as attendee, also, you can take part in **Idea Competition** and **Workshops** (free for all).
- One participant/ team can select 1 theme/problem area given in the circular. In the case of a team -the leader should be female.
- One team/ individual can submit 1 proposal.
- The proposed solution (project idea) should be original. Citation and referencing are needed if any part is taken from other sources.
- One team must submit a **proposal form** and a **digital poster** of their project idea.
- **Email** the digital poster and Proposal abstract to: iubstemc@gmail.com within deadline.
- **Word limit:** 800 (all together including references and titles).
- **Abstract submission format:** MS word/ Google Doc (font: Calibri 11, 1.0 space).
- **Digital Poster:** High resolution PNG and PDF (both format) in portrait mode (preferably 36''X 48'' size).
- **Submission Deadline:** Wednesday, November 29, 2022 (11:59pm).
- Selected teams (for ideas and posters) will be notified with the details of presentation.
- Digital poster of the idea will be presented online (screen sharing)
- Selected project proposals will be published in the proceedings after the event.
- Certificates and proceedings will be emailed to all the participants.
- Winner/s will receive another set of certificates with prize money.
