

**Section IV:** *Officers of the executive board may be compensated if they meet the criteria established by the Club Sports Budget Committee and their Recreation & Wellness Professional Staff advisor(s). They will have exclusive authority over all matters related to officer compensation, including eligibility, approval, and distribution, as outlined in the Club Sports Handbook.*

*Funds for compensation will be set aside before budget allocations and placed in a separate speedtype account established by Student Governance Services (SGS) to ensure proper management, oversight, and transparency."*
