

Three Village Central School District Hybrid Instructional Model

Currently, the District has offered students and parents the option of selecting remote instruction for those that do not feel comfortable attending school in-person on a daily basis. This remote instruction will be provided real-time, teacher facilitated daily instruction using, at a minimum, the G-Suite for Education platform.

Some parents have inquired what a hybrid instructional plan would look like in the event one was to be implemented.

Elementary

In a hybrid instructional model, elementary students would be split into two cohorts, representing approximately 50% of the students. Students would come to school on an alternating week basis. Those students that are in-school would receive instruction from their teachers as usual. Those students that are participating at home in a remote environment, would receive their instruction asynchronously. Students would alternate one week in-person, one week at-home, remotely.

Specials and related services (DTC, Resource Room, OT, PT) would be delivered asynchronously for those students during their remote time.

This schedule does not apply to students enrolled in our 6:1, 8:1, and 12:1 classes as well as some ELL and 15:1 students who would attend school every day, five days a week.

The main reason for alternating week is for child care planning purposes.

This plan would look like:

Week	Monday	Tuesday	Wednesday	Thursday	Friday
#1 Group A	In-Person	In-Person	In-Person	In-Person	In-Person
#1 Group B	Remote	Remote	Remote	Remote	Remote
#2 Group A	Remote	Remote	Remote	Remote	Remote
#2 Group B	In-Person	In-Person	In-Person	In-Person	In-Person

Secondary

In a hybrid instructional model, most secondary students would be split into two cohorts, representing approximately 50% of the students. Students would come to school two or three days per week, alternating weekly. Those students that are in-school would receive instruction from their teachers as usual. Those students that are participating at home in a remote environment, would “remote” into their usual classes, receiving their instruction from their regular teachers. This schedule does not apply to students enrolled in our 6:1, 8:1, and 12:1 classes as well as some ELL and 15:1 students who would attend school every day, five days a week.

This plan would look like:

Week	Monday - A	Tuesday - B	Wednesday - A	Thursday - B	Friday – A/B
#1 Group A	In-Person	In-Person	In-Person	Remote	Remote
#1 Group B	Remote	Remote	Remote	In-Person	In-Person
#2 Group A	Remote	Remote	Remote	In-Person	In-Person
#2 Group B	In-Person	In-Person	In-Person	Remote	Remote
