2025 Divide & Conquer online plant sale!

We have once again been very busy dividing perennial plants from our garden. As always, proceeds from the sale support the Princess Margaret Hospital.

The table below lists the perennials we are offering for sale.

To ensure a smooth experience, please take note of the following:

- All plants cost \$5.00 each. No inflation, still the same price!
- The photos in the table are stock images sourced online to illustrate the plants for sale in form and colour when they reach maturity. Latin names are given to assist in research but may not be entirely accurate in every case.
- We process orders **via email only**, and in the order in which we receive the messages. To place an order, send an email to jardinal.design@gmail.com listing the plants (preferably by Latin name), the quantity you wish to order, and the total dollar amount of your order.
- We try to update the stock as regularly as possible to avoid disappointment, but please be patient as we're juggling many orders.
- Payment is by cash in the exact amount at pickup or by eTransfer (required for orders over \$25). If you are paying by eTransfer, please forward payment to jardinal.design@gmail.com within 4 hours of receiving a confirmation of your order.
- Pickup time slots will be by appointment only from Wednesday, June 4 to Saturday, June 7, 9:00 am – 5:00 pm.

When you place your order, please indicate the **day** and **three time slots** on that day that will work for you (e.g., 9:00 am, 9:15 am, 9:30 am on Saturday, June 7). Each time slot represents a 15 minute window. **Further instructions, including our location information, will be provided with confirmation of your order and pickup time.**
