

Dear Parents and Families of the Harbor School,

The Harbor School has been a leader in preschool and early elementary education since its inception in 1973. As we celebrate our 48th year, our school will host our annual auction on May 8, 2020 at The Harbor School. As chairpersons for the event, we are inviting you to join us in this evening.

Tickets are available now, for \$130, through the HSPA and an invitation with a link to the auction website will be arriving in your email soon. Attending the event is a great way to celebrate your children, the school, and friendships gained by being a part of the Harbor community. It's never too early to get your seats for the event!

What is the purpose of the auction?

1. Funds the financial support to families in need so that children can attend Harbor regardless of their economic circumstances.
2. Provides enrichment programs for our young children and advances technology to provide cutting edge educational programs.
3. Support professional development to allow our teachers to continue pursuing their passion for educational excellence.

We hope that you plan to join us for this phenomenal event as The Harbor School Presents: "Harbor Hall of Fame." Even if you can't join, there are many ways to help support. Your generosity is deeply appreciated.

Respectfully,

Regina Tranquillo and Courtney Wassef
Auction Committee Co-Chairs
