## Terms of Service

- You must be at least 19 years old to commission me.
- Once payment is done and the sketch is too, I will NOT accept refunds for any reason, be it health, drama, or else.
- New accounts (less than 1 year old) in any site will not be accepted.
- Private commissions are allowed at a fee. You can't ask me to keep it private after the commission is done, even if it's private only temporarily, with the exception of birthdays or other holidays, but it should be agreed upon beforehand.
- Any grotesque kinks will not be taken, other kinks should be explicitly mentioned w/o exceptions.
- Maximum of 3 characters.
- If any of the characters belong to someone else, you should give me their contact info for me to verify.
- A reference picture is required.
- I will mainly do Pokemon and Quadrupedal characters. Mostly similar to canines, vulpines, felines. I very specifically refer to the anatomy and face shape. I can do others, but know that your chances of being picked will be lower, as I may not even be able to draw it.
- I will not work on offensive, religious, political, or any kind of controversial or remotely related art.
- Order is random, not first come first serve. Usually working on things that are easier for me to do.
- You can edit any details before payment is done, but know I may cancel the commission if it's no longer of my liking.
- I mostly accept payments through PayPal, gift cards will NOT be considered as a payment. Past donations also will not count towards a discount.
- You are REQUIRED to make sure the amount I receive is at minimum the commission price after fees, I will not cover the fees.
- You should know that sending as family and friends should be avoided with any artist, as it'll make you unable to later attempt to get your money back if you happen to be scammed or similar.
- You're free to send extra cash if you feel like it, the extra will be considered a tip.
- Shoot me a DM on Discord or BlueSky if you're interested, I will not answer on Twitter.

## Important things to mention

- Deadline; do not say however long I want, mind if health issues happen or similar, I will take priority of the shorter deadline, so just say something even if it's a year. Mind extremely short deadlines aren't likely to be picked (like say 1-2 days)
- If I do not contact you 7 days after the post you probably haven't been picked.
- Feel free to ask questions but first look at the FAQ below.
- You pay up front.
