

NSF-REU Intersection of Linguistics, Language & Culture

Editing List

Professor Isabelle Barriere

Professor Jonathan Nissenbaum

Questions to consider:

1. What do the listed items below refer to?
2. Who speaks to them? Notable figures? People groups? Cultures? Others?
3. In which part of the world do they relate (where are they spoken)?
4. Where (in which schools/colleges/universities) can you *learn to speak them* or where can you learn *about* them?
