Women for Water Partnership is involved in the following processes.

Thematic process:

- Together with UNESCO, Pakistan Youth Water Parliament and a university, we are coordinating the topic “**culture, equity and justice**”
- We are a member of the thematic coordination group on governance and will appear in several sessions to integrate the role of women
- WfWP and VAM proposed a session on sanitation
- We are part of the session coordinator groups on topic A, Water for Food, Session 3 Title: Floods, Droughts, Wind, Fire: Building Resilient Agricultural Systems

Political process: We participate in the preparatory commission for the ministerial process in December.

Regional process: we are involved in the European process, contribute to the publication of the state-of-affairs and are responsible for the chapter on “People” (water, sanitation, waste water). We proposed to be involved in several sessions.
