

Subject: Join [SCHOOL'S] Healthy Democracy Campaign: Will you be our community partner?

Hi [NAME],

I'm reaching out because [SCHOOL] is officially signed on to Vot-ER's [Healthy Democracy Campaign](#)!

About the Campaign:

Join [SCHOOL'S] [Vot-ER Healthy Democracy Campaign](#), a national student led civic engagement competition! With free nonpartisan voter registration tools from Vot-ER, participating schools join in a national competition to register the most voters from Sept. to Election day! In 2023, competing students helped over 3,000 people get ready to vote!

One of the ways our team can win is by partnering with a community organization to register voters. **Would you be willing to join our campaign as a community partner?**

As a community partner, you will help ensure [SCHOOL] has a clear path to victory by achieving the most voter registrations this competition season!

If you have any questions or need more information, please don't hesitate to reach out.

Let's work together to create a healthier democracy!

Warmly,
