

AP Environmental Science

Fee for Curricular Activity 2025-2026 School Year

Curricular activity means an activity, course, or program that is provided, sponsored, or supported by the school; and conducted only during school hours.

Teacher Name(s): Taylor Bly

Fee and Spend Plan

Fee	Spend Plan Specific delineation of what this fee covers
\$30 \$10	-To cover field trip costs (going out to do surveys on the Great Salt Lake and nearby areas) -To cover costs of supplies for our labs/supplies

If the fee you are requesting for the 2025-2026 school year is higher than the approved fee for the 2024-2025 school year, please explain the reason for the increase in the fee:

I need to add \$10 because we have quite a few labs that require some purchases every year.(seeds, plants, growing materials, soil, water filtration lab supplies)

I increased the field trip fee because I plan to do more surveys with my AP classes.
