

September 8, 2022

Dear 6th-Grade Student,

Congratulations on becoming a Shark! I am Mrs. Clayton, the Tarkanian Middle School leadership teacher. Leadership is an elective course at Tarkanian that does many things to better our school and our community; we expect this to be a great year of learning, collaborating, and creating a fun and positive environment for all TMS students and staff.

We are looking for outstanding students to join our leadership family; as a 6th grader, you are eligible to apply to be a 6th-grade student representative at Tarkanian Middle School. If you are selected, you will be able to join our student leadership team for after-school meetings and events. You will also be eligible to sign up for Leadership as an elective class your 7th-grade year.

*If you are interested in running for a position, you will need to read **all** directions carefully, complete the attached application **in its entirety** and submit it no later than **September 15**. Officers will be selected by a panel of teachers from each grade level, an admin member, and a member of the Desert Oasis Student Council. Winners will be notified on September 21st!*

Kindest regards,

Mrs. Clayton

Tarkanian MS Leadership Teacher
