

Pinned posts in social media platforms to convert the audience!

{Pain}

Let's not gamble our businesses! (to okayish marketing, should we?)

{Relate & amplify.}

to okayish marketing.

to freelancers & agencies who cost an arm & a leg.

to amateurs who do the worst job for the price of groceries putting your reputation at risk.

{If- then}

If you are struggling with the same problems & want to feel secure and in control of the business's future (then we have something for you) here's what you can do to have seamless marketing for your brand in the next 3 days! →

Quantifiable results can only be achieved by actions.

{Better than}

Better than worrying about the situation, invest your time into building a peaceful one!

{CTA}

Book a free discovery call (audit & consultation).

Let's unpack the mistakes which are keeping you from finding the right audience & help them transition into loyal customers.

(

Better offer w/ bullet points:

Where we analyse your current situations & strategies.

List the things which needs to be fixed + could be better

Show you the solution & discuss implementation.

)

{Objection handling "Will this work for me?"}

Ps: Unlike cute cats & fast horses we can only help passionate business owners.

Need to add - {What happens if they don't get on a call!}
