

THE OFFICIAL BATHESHEEP DOSSIER: CRIMES, GAY PANIC, AND RAM-BASED MAYHEM

Prepared by: *The Department of Minecraft Justice (DMJ)*

Classification Level: *Silly But Concerning*

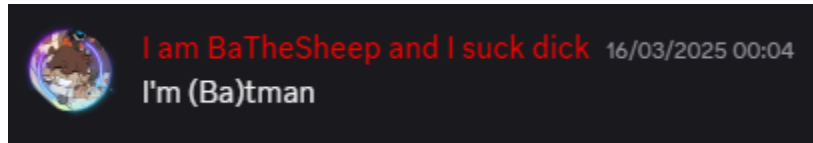

EXECUTIVE SUMMARY

After **extensive surveillance** (lurking in Discord chats and watching 40 minutes of a Orange's stream), it has become undeniable that the entity known as "**BaTheSheep**" (actual species: **ram goat thingymabob**) is not just an ordinary Minecraft personality—he is a **menace to public decency, a fugitive from seriousness, and an active participant in CRIMES OF EXCESSIVE GAYNESS.**

This document outlines his **illegal activities, suspicious associates, and the disturbing lack of a personal YouTube channel.**

SECTION 1: CRIMES AGAINST CHAT DECORUM

- **Charge: Public Flirtation with Intent to Disturb**
 - **Evidence:**
 - **Documented instances of saying "hello" in a *tone*** (multiple witnesses confirm it was "**too gay**")
 - **Unlicensed use of ":3" in general chat** (a known gateway emote to further degeneracy)
 - **Alleged whisper campaigns** (sources claim he once told Sam, "*you're kinda cute for a tv headed guy*")
- **Additional Charge: Conspiracy to Be Silly**
 - **Evidence:**
 - **Confirmed affiliation with known chaos agents** (*OrangeDoesntKnow, AxoBucket*)
 - **Refusal to take ANYTHING seriously** (even when kkona is roleplaying his heart out)
 - **Bad Unfunny jokes and posts** (evidence bellow)

SECTION 2: FINANCIAL CRIMES & SHEEP-ADJACENT RACKETEERING

- **Tax Evasion via Minecraft Passive Income**
 - **Details:** Despite **never streaming or uploading**, BaTheSheep somehow maintains social relevance.
 - **Suspected Revenue Streams:**
 - **Illegal diamond trades** (all conducted in `/msg` to avoid detection)
 - **Wool-based insider trading** (ram goat wool is a **controlled substance** in some servers)
- **The Burger King Milkshake Heist (2023)**
 - **Status:** Still unsolved, but **circumstantial evidence** links him:
 - **A tweet reading "whopper mode activated"** (posted 20 mins before the crime)
 - **Sam's alibi:** *"He was with me, but also, what's a Burger King?"* (suspicious)

SECTION 3: ASSOCIATES & ACCOMPLICES

1. **OrangeDoesntFUCKINGknowANYTHING**
 - **Role:** Primary Enabler
 - **Known Crimes:**
 - **Laughing at BaTheSheep's jokes** (even the bad ones)
 - **Allegedly hiding him during DMJ raids** (unconfirmed, but likely)
2. **Sam**
 - **Role:** Morale Support (??)
 - **Known Crimes:**

- **Being Weird and Gay** (distracting)
 - **Not stopping him when he said the gay thing that he said that one time** (negligence)
-

SECTION 4: PHYSICAL DESCRIPTION & WHEREABOUTS

- **Species: Ram goat thingybob** (not a sheep, despite the name—**false advertising?**)
 - **Last Seen: Loitering in Orange's streams** (no fixed address)
 - **Distinguishing Features:**
 - **Unrepentantly silly demeanor**
 - **Refusal to create his own content** (parasitic behavior?)
 - **Alleged "ram horns"** (could be used as **weapons in a pinch**)
-

CONCLUSION & RECOMMENDED ACTIONS

BaTheSheep is a **walking, bleating violation of public order**. The DMJ proposes:

1. **Immediate revocation of ":3" privileges** in all Minecraft chats.
2. **Forced creation of a YouTube channel** (so we can properly monetize his crimes).
3. **Extradition to Burger King corporate** (for milkshake-related sentencing).

WANTED STATUS: ACTIVE

REWARD: 1 (one) enchanted golden apple for information leading to capture.

Ps: BaTheSheep is also very mean to Alex (who did not write this btw) so that's already a death penalty
