

WCC Registration

1. Go to <https://www.woodlandschools.org/wcc> and enter your cell phone number, check the “I’m not a robot” box and hit submit.

The screenshot shows the top navigation bar with links for SCHOOLS, QUICK LINKS, and ESPAÑOL. Below this is the Woodland Public Schools logo and a hamburger menu icon. The main heading is "WCC Parent Login". A yellow box contains instructions: "This login is for previously registered families, or if you are registering a new family. If you are a new guardian wanting to be added to an existing family, that must be done by the family's primary guardian or the WCC staff." A light blue box states: "Please enter your full (10 digit) cell phone number, a login code will be sent to your via text message." Below this is a text input field labeled "Your 10 digit cell phone number". Under the input field is a reCAPTCHA section with an "I'm not a robot" checkbox and a reCAPTCHA logo with links for "Privacy" and "Terms". A green "SUBMIT" button is located below the reCAPTCHA section. At the bottom, a "Note" states: "By requesting a text login code, you consent to receive an SMS message from".

SUBMIT

Note: By requesting a text login code, you consent to receive an SMS message from

2. Enter the code you are sent.

3. Set up your new family registration by filling out the form, including adding a 4 digit PIN you'll use when checking your children in and out of childcare.

New Family Registration

Family Name

Rippl Test

This is the name that will appear on the check-in and check-out screens, and will be visible to other families.

Your Name

Steve Rippl

You will be the primary guardian associated with the family, but it will be possible to add other adults (for drop-off/pickup and/or managing the account) later.

Cell Phone Number

(360)

Home Phone Number

full 10 digit number

Optional, but may be used for emergency contact.

Work Phone Number

4. Once your family is registered, you can add additional adults (to pick up/drop off your children), and you can register your children that will be using WCC.
