Subject	No Donations Until Divestment

Dear President Starr, Treasurer Jeff Roth, and Chief Investment Officer Dave Wallace,

Since October 7, israel has been indiscriminately attacking hospitals, schools, and homes, displacing almost 2 million and massacring over 29,000 Palestinians (as of Feb. 16th). It is entirely unacceptable that Pomona College continues to be willingly complicit in the displacement, ethnic cleansing, and genocide of Palestinians.

In solidarity with the international movement for Boycotts, Divestment, and Sanction (BDS), I will be withholding ALL donations to Pomona College until the college meets the demands presented by Pomona Divest from Apartheid.

I demand that Pomona College immediately:

1. DIVEST COMPLETELY from all weapons manufacturers and all institutions that aid the ongoing occupation of Palestine.
2. ADHERE TO the USACBI academic boycott.
3. PUBLICLY CALL for an immediate and permanent ceasefire in Gaza.
4. PUBLICLY CONDEMN israel’s apartheid, occupation, ethnic cleansing, genocide, and dehumanization of Palestinians.
5. INSTITUTE anti-discrimination policies explicitly for Palestinian, Muslim, Arab, SWANA, Black, Brown, and Indigenous students.
