

Year 9 Maths

Title of Homework: Year 9: Maths Summer Homework

Estimated Length of Time: 3 Hours

Learning Outcome: To review and reinforce key Maths concepts covered this year.

You should login to Sparx Maths (www.sparxmaths.com) using your Google Login details.

Over the summer holidays, **three assignments** will be released on a staggered schedule. Each task focuses on a different core area—**Number, Algebra, and Geometry**—and will take approximately one hour to complete.

Deadline: All tasks must be completed fully by the **4th September 2026** to ensure you are fully prepared for the upcoming academic year.

Any problems, please email Mr Chris Bent: c.bent@hayesfield.com or your class teacher
