

The Runnemede School District Acceptable Use Policy (AUP)

Abridged Version

1. Students will use the technology provided for them by Runnemede Schools for educational purposes.
2. Students will follow teacher directions when using the Chromebooks in class.
3. Students will handle technology in the district carefully and will bring any problems with technology (hardware or software) to the attention of the teaching staff and/or administration. Failure to report problems may result in disciplinary and financial consequences. [Please use this form](#) by typing <https://tinyurl.com/RunnBCF> into your browser to make your report.
4. Students will use the technology to create a supportive online community and report instances of online bullying or harassment to teaching staff and/or administration.
5. Students will remember it is within the rights of the district to suspend their access to technology if it is used inappropriately in any way.
6. Students will protect the privacy of themselves and others by keeping their passwords and other sensitive information secure.
7. Student activity will be monitored through district purchased software. Issues flagged by the software will be reviewed by staff and could result in disciplinary action and/or a phone call home before, during or after school hours (depending on the nature and time of the internet browsing behavior). **When you are on a district Chromebook your browsing behavior will be monitored.**
8. Students and parents will be financially responsible for damage to school hardware. Please see page three of the [Chromebook User Agreement](#) for examples of financial responsibility cost estimates. [Chromebook User Agreement Master Copy](#)
