

Task Card

(You cannot present the task in the same way you have already)

Create a show for the class eg Gameshow/Magic show/Puppet show/Play - not just out of a journal or any other show you can think of.....

This week you are to create some sort of game show for the class to complete on Friday.

REMEMBER

You are level 4 and can ask questions to find information as well as going on the computer. E.g If you require Mr MacCallums help you must plan out your questions thoughtfully first. Don't waste people's time and your own.

Inquiry Process to help you...

- Brainstorm ideas - inquiry book - **Wonder/Think**
- Create a draft plan (What is it going to look like, sound like) - **Explore Ideas**
- Make a list of things to do in order. Make a checklist - **Act**
- Organise your time. What are you doing each day? **Reflect**

Criteria and Marking below

Success Criteria

- You must read and complete the given task to a very high standard in order to remain at level 4
- You must present your findings/presentation/speech etc to the class on Friday (time to be arranged)
- You will gain a mark out of 200 and this is also added to your bank account as snidges
 - The mark will be judged on

1. Your presentation standard - /50
2. Quality of information - /50
3. Your oral delivery - /50
4. Using your time wisely - /50

If you fall below 100, you will move down to level 3.
Good luck and see how many weeks you can hold
level 4 Elite status!
