I have printed out a flyer for GSRs to bring back to their homegroups, so please be sure to share the meeting information with your homegroups. If there is anyone who would like to brainstorm ways in which the learning day subcommittee can help facilitate a service-oriented event, whether it is to help our area's members learn more about a specific subcommittee, our overall service structure, how to be in service at your home group, etc. please don't hesitate to reach out to me! I do not currently have any event proposals to report on, as I would like for other members to have input to the subcommittee prior to planning an event.

MEETING LIST

Name: Pedro O	Date: 02/07/2025
---------------	------------------

Nothing new to report on our area meeting list. I have looked into the BMLT app. All of our meetings have already been uploaded on it. I did notice that the Friday night meeting that closed is listed on it. It is still listed on the statewide meeting list also. I have sent the state an updated meeting list and am trying to figure out who I need to reach out to to get that Friday meeting off the BMLT app. I have sent the state a request to remove the Friday meeting that was in Bridgeton off the statewide meeting list. It will take a few days for the request to be approved then it will be removed. I have received the email today 02/08/25 from the state. The Friday meeting that was on Commerce St in Bridgeton will be removed from our state wide meeting list.

SHARING SESSION, OLD BUSINESS AND NEW BUSINESS

SHARING SESSION

Nothing was brought up by members in the sharing session.

OLD BUSINESS

no There was no Old Business to go over.

NEW BUSINESS

- Motion #1 is submitted by Joe M and seconded by Angela L [Feb 2025 Motion #1](#)
 - To adapt the newly formatted Area Policy

- Intent: To have a more presentable and readable Area Policy.

Joe stated his motion was fairly straightforward and did not really need to expand on it. No pros and cons were brought up by members in attendance. **ALL GSRs received a printed copy of the Area Policy in the proposed new format to take back to their groups to vote on.** Point of Order - This motion is **NOT** to change any current policy it is just a format change so how Policy looks.

Votes:

This motion affects policy and therefore goes back to groups to vote.

- Motion #2 is submitted by Joe M and seconded by Angela L [Feb 2025 Motion #2](#)
 - To remove section M of RCM duties referring to CSASC PO Box

- Intent: To remove obsolete policy.

Joe spoke to his motion stating that he intended to include this in last month's motion but it did not make it in. Pros and Cons were asked and members reiterated that it is the same situation as last month's obsolete policy motion. This is an Administrative Vote done in Area

Votes:

Pros: 18 Cons: 0 Abst: 0 — Motion Passes

- Motion #3 is submitted by Early Bird Special Meeting and seconded by Karl S [Feb 2025 Motion #3](#)
 - To remove the position of Vice Treasurer.

- Intent: To eliminate an unnecessary and unneeded position.

Karl stated the motion was self explanatory. Pros and Cons were discussed. George strongly disagreed with the motion as the Treasurer stating there are times when the Treasurer will not be able to be in attendance. A nomination for the position was made and members were instructed

that would be something discussed following this motion. Other cons mentioned were the fact that as Vice a member can have a whole year to learn the position. Karl stated the pros from homegroup as the report is filed online Vice will not be able to write new checks just deposit funds and write receipts from area to groups if the treasurer misses and elections are held in October for the purpose of the next man up learning the position.

Votes:

This motion changes policy and therefore goes back to groups to vote.

- Paul A nominated Rob A for Vice Treasurer George R seconded the nomination. Policy Archives read clean time requirements and attempted to read Vice Treasurer Responsibilities and Duties however that position's responsibilities and duties are not listed in our current policy. Policy Archives read Treasurer responsibilities and duties in the interim. Rob A qualified himself and he did not meet the clean time requirement. A motion to waive clean time was made by George R and seconded by Paul A. Vote was as follows: **Pro: 15 Con: 3 Abst: 0** Rob chose to stay for Pros and Cons. One con being clean time requirement was made for a reason and should be followed.
