Let's travel to the White Mountains of New Hampshire and explore Beyond Granite: The Geology of Adventure @ <https://vimeo.com/731750766> (6:49 minutes) and explore the 4-Part Puzzle that has shaped the White Mountains into what we can experience today. Please briefly summarize and describe the four parts and list a landform associated with each part.

**Part 1: The Oldest.**

**Part 2: A little Younger.**

**Part 3: The Next Youngest.**

**Part 4: The Landscape Today.**
