

## Information On-Demand

Think of a topic that you've studied or that you know a lot about. Tomorrow, you will have forty-five minutes to write an informational (all about) text that teaches others interesting and important information and ideas about that topic. If you want to find and use information from a book or another outside source to help you with this writing, you may bring that with you tomorrow.

Please keep in mind that you will have only forty-five minutes to complete this. You will have only this one period, so you'll need to plan, draft, revise, and edit in one sitting. Write in a way that shows all that you know about information writing. In your writing make sure you:

- **Write an introduction**
- **Elaborate with a variety of information**
- **Organize your writing**
- **Use transition words**
- **Write a conclusion**
