Sacramento Roofing Company

Harlan Quality Roofing offers comprehensive roofing services to homeowners across the greater Sacramento area including residential roof replacement, roof repair, inspections and maintenance. We believe that quality service, products, and installation are crucial for our clients and the protection of their homes. Our strong Sacramento sun and our rainy winter season are a constant reminder of the need for quality products and workmanship to protect your home and your family. No other home improvement is tested more than your roof. We believe there should be no corners cut, no substitute for a quality roof.

Professional Roofing Sacramento

Harlan Roofing understands that your property is an investment worth protecting. Our team of roofing professionals has a combined experience in providing top notch service in the roofing industry for over 50 years. We are licensed, trained, and certified with all major manufacturers. We are insured to handle roof replacements and repairs on residential single-family homes, multi-family dwellings, and commercial roof projects.

Quality Roofing Materials

We carry a wide variety of products, including composition and asphalt shingles, concrete tile, multi-ply self-adhering, and single-ply TPO roof systems. Our knowledge and experience as a long-standing Sacramento roofing contractor makes us uniquely qualified to guide your choice of the right products and energy

efficiency improvements for your home and with your budget in mind. At Harlan Roofing, we treat every house as if it were our own. When you're choosing a roofing company in the Sacramento area, choose quality and service… choose Harlan Quality Roofing.

Why Choose Harlan Roofing?

The expert team at Harlan Quality Roofing provides roof leak repair, roof shingles repair, emergency roof repair, and more. We are dedicated to serving the needs of Sacramento County and we are the go-to roofing contractor for our local community. Every time you hire us for a job, you can expect the job to be done right the first time and with high-quality, durable materials. We also offer free estimates and financing options.

Serving the Greater Sacramento Area for Over 17 Years

Harlan Quality Roofing is a family owned and operated business serving the greater Sacramento area. The Harlan family has been proudly selling, repairing and installing roofs in the Sacramento area for over a decade. Allow us to demonstrate to you why Harlan is synonymous with quality!
