SL: The truth about your future wedding

Whenever you sit down to plan out your wedding, where would you want to celebrate it?

Maybe at that one sketchy family restaurant that everyone has been to a billion times?

Or, perhaps it's that "top-tier" overpriced restaurant that serves expired, cheap seafood?

Come on now, what would your guests say, or better yet,

What would she say?

Imagine the look in her eyes when you bring her to someplace she's been to,

The look that literally speaks "Ah, I knew it."

Or, worst case scenario, she might just throw her bouquet right in your face.

What a great way to start and end your future within seconds right?

WRONG. We know you deserve so much more from this once-in-a-lifetime event,

This is why we offer to plan out your wedding in a place that both of you have never been to.

A place that will remain special after the wedding and give you a reason to visit Mexico again!
