

J's Tree Trimming & Removal is growing and we are currently looking for a qualified person to contribute to the success of our company.

We are a full service tree company providing services to both residential and commercial customers. We perform complete tree removal, trimming, pruning, stump grinding, etc.

J's Tree Trimming & Removal is currently looking for an experienced Boom Operator. This is a challenging year round position requiring a desire to work outdoors, knowledge about trees/shrubs care, as well as practical experience in tree assessment, pruning, etc.

Job Requirements:

- 4+ years professional tree climbing experience.
- Ability to identify basic trees and shrubs, Arborist certification appreciated.
- Desire to work with a team to accomplish goals.
- Urgency to grow and improve.
- Possess Chauffeur license or Class B CDL with bias given to Class A
- Hold current MI Medical Card
- Must be able to lift a minimum of 50lbs.
- Knowledge of roping and rigging.

Responsibilities:

- Operate equipment, such as bucket truck, stump grinder, brush chipper, loader, and other equipment and tools.
- Adhere to all safety rules and company regulations.
- Pruning, removal, and general tree care.
- Be able to pass a background check including drug screen.

Job Type: Full-time

Compensation: \$29,000.00 to \$37,000.00 /year; benefits available

Required education:
