2025 CHRISTMAS WREATH SALES PROGRAM

It is the time of year when we kick-off the Wreath Sales Program!

Pay special attention to the following items:

- Important Date Sheet
- 2025 Wreath Sales Incentives - Read this to find out about the incentives for the 2025 program. Scouts can earn incentives in 2 ways: Early Sales Incentive and Camp Credits.
- Sales Brochure (Color) - Your customer may be interested in seeing the picture of all the items for sale. Please add pricing to your sheet using pricing from the order form.
- 2025 Order Summary Form(s) - **Please turn in your orders using the electronic submission form prior to 10:00 pm on the two turn in dates. October 27 & November 23.**

Standard Product Info:

1. The bow pictured on the 25" Balsam Wreath in the sales brochure is an "upgraded" velvet button bow that features a loop in the center. The standard bow included on the wreath does not include the center loop (a.k.a. button)
2. The pot and decorations pictured with the Spruce Tops are not included.
3. Velvet bows are shipped unattached for the Christmas cane, cross and for wreaths larger than 25".
4. We do not sell the Balsam Pine wreaths or garland.

Gift Box Products

Eight of the wreath products are available to be mailed directly to customers. Products available in this program are 22" Wreath, Centerpiece, Voyageur Wreath, Voyageur Swag, Itasca Wreath, Itasca Swag, Lake Superior Wreath, and the Lake Superior Swag.

There is a separate form that I have provided with each packet. More are available on request. You will be keeping these forms so if you would rather gather the information another way, you are welcome to. The information on these forms will be electronically submitted via the Mail Order Electronic Submission Form. This will be found on the Troop 469 website and will also be posted on the groupme forum once completed.

If you choose to market our gift-boxed products, we recommend the following:

1. Explain that these products will be identical to those being sold in style (except if you are using plastic bows), but will be shipped directly to the home of the customer, or in the case of a gift, to wherever the customer designates.
2. Emphasize the convenience of sending a wreath as a gift and that a personalized gift card can be enclosed. All wreaths will be shipped between Nov. 27 and Dec. 7.
3. If you are using the NCR forms, give the customer one copy of the order form. • Return original to us to process the order. • Keep one copy for your records.

- Please do not text, email or provide handwritten orders to me.
- All orders MUST be turned in via the electronic submission form. •
