

Safeguarding Rules for New & Existent Members Apply:

First, please confirm that you would like to join the virtual workshop by registering your email, Your name and young child/rens name if under 18 years. Your email will enable WAPPY to see who has signed up to the workshop and can help evaluate who's attending.

If a young person is new to WAPPY please do complete a registration form as we need parental consent for publicity, which is downloadable via the web site or request one.

Locked Workshop

Once started the workshop and all our participants have arrived, as host, I will lock the workshop so that no one else can join.

Parent&(s) Joining the Session

A young person (age 4-18) can only join a session provided a parent is in the session, though they can be in the background and not necessarily visible all the time. We may wish to record part of the session for evaluation purposes. If we do, we will ask for parental I consent in advance. No adult can join this session unless you are a WAPPY volunteer, parent/guardian or have been invited by WAPPY. Virtual

Waiting Rooms

WAPPY will use a virtual waiting room to enable WAPPY to check who each person is before allowing them entry. Known WAPPY participant we can enable them to skip the waiting room to speed things up.

No Screen Sharing will be allowed for participants. Only Akuba (Grace)

No Private Messaging

To prevent distractions in the session WAPPY will not allow any private messaging between members, so to prevent peer talking without the knowledge of Akuba & May.

Uninvited Visitors will be removed if someone manages to join our virtual workshop, we will remove them via the Participants Menu.
