

Freedom pool service

Is this [Owner Name] speaking?

Hey [Owner Name] I'm Vlad,

So, i'm going to be honest, this is a cold call, so i do have something to pitch to your business, you can either hang up now, or give me 20 seconds to explain

So I checked out your website and saw that you do pool cleaning, so hypothetically if you were to work with me, I'll actually handle the online advertising and other online aspects such as conversion rate etc, and I'm confident that it will work, so until I get you clients, it's completely free, so there's no risk for you. Does that sound like something you'd be interested in?

["Email"]

So honestly I think emails are a big waste of time, so would you be able to perhaps schedule a call instead?

["MORE INFO"]

Alright, pretty much, I can manage your online stuff like social media, newsletters, and all that other stuff.

["NO"]

May I ask why not?

["YES"]

Alright, so can we schedule a call, maybe for some time next week, perhaps monday or tuesday? Does that sound alright?

What time works best for you?

Additional stuff

I'm a digital marker and copywriter, so I can rewrite your website pages and improve conversion rate as well as increase traffic to your website. How does that sound?
