Summary of work undertaken to improve student achievement and school performance	The administration, in consultation with teaching and support staff has prepared the <u>Bayview Community School Student Success Plan</u>. Literacy Goal: Increase the number of students meeting or exceeding the reading/writing expectations using short cycle data to help inform staff. Math Goal: To improve problem-solving in Mathematics using short cycle data to help inform staff Safe and Inclusive Learning Environment Goal: To increase wellbeing with students at Bayview Community School using school surveys and student feedback • Multiple meetings to help ongoing efforts for parking lot and safety of students with Town of Mahone Bay council • Presented at the ToMB town meeting where SAC members and BCS students presented to council. • Review of policies: Code of Conduct at Provincial SAC meeting • Engagement in the regional SAC sessions throughout the year of SAC members. Some members of the SAC have been selected for the regional SAC team. • SAC ideas/contributions to the weekly Bayview Newsletter for families.

	• Development of ongoing student survey which continues to lead to the development of new Clubs for our students (i.e. guitar club). • SAC members supporting Home & School Association with ideas for playground fundraising.		
Significant milestones or successes	• Supporting a variety of staff ideas, programs, and trips through SAC funding. • Open discussion around ongoing parking lot safety. Connected to regional and local supports to try and move forward for a safer parking lot area. • A joint SAC & Home and School meeting to encourage increased collaboration and knowledge of one another. • Shoulder widening with conjunction with the Town of Mahone Bay to address parking/safety concerns
