5 Star Review - *The staff was amazing! The virtual appointment was just like being in the doctor's office. They provided great instructions for taking pictures of my teeth and literally every question I had in my head was answered during the quick appointment. I loved it and I cannot wait to begin my journey!* **Chantelle Davis**

5 Star Review - *Love Dr James and her staff! Always friendly and take the time to answer all the questions we have. Her office is well appointed and centrally located. Highly recommended!* **Wendy Shiou**

Art of Smile - Center For Cosmetic Orthodontics - Orthodontist Philadelphia

Philadelphia Orthodontics

Welcome to Art of Smile, Center for Cosmetic Orthodontics. We are not your typical orthodontic practice. After a 16-year history of providing orthodontic treatment in the greater Philadelphia area, we understand your desire for a fully cosmetic approach to orthodontic care. Located in Philadelphia, Pennsylvania, our practice's top priority is to provide you with the highest quality orthodontic care in an attentive, pleasant environment; however, we have taken a new perspective to give options to our patients for creating that desired smile.

Innovative Orthodontic Treatment

Dr. Amy James utilizes the latest technological advances in the industry, such as hidden braces called "Harmony" (by American Orthodontics). We also offer clear braces for adults, teen invisalign and see through braces. This system is fully customized braces on the inside of your teeth. It is the most progressive orthodontic bracket system available for the discerning patient, where discretion is the greatest priority. Alternatively, esthetic ceramic (tooth colored) braces and Invisalign® are always an option.

Advanced Technology

We use the latest in computer technology (digital imaging and advanced computer graphics) and digital x-rays to ensure that you receive the most effective and efficient care possible.

We recognize that every patient has different needs, and we pride ourselves in the courteous service we deliver to each person who walks through our doors. Whether you are an adult or adolescent, our knowledgeable doctors and staff are committed to helping you achieve the smile you deserve - a healthy, beautiful one!
